

# Being a Doctor

by Miquel Vilardell

## **BEING A DOCTOR**

### **MY THOUGHTS ON THE ART AND THE PRACTICE OF HEALING**

**BY MIQUEL VILARDELL**

**128 pages**

**Testimony**

- This is the first time that one of the most important doctors in Spain shares his professional, academic and political views.
- It is a clear and deep reflexion on the educational process of becoming a doctor and the practice of being one.
- Dr. Vilardell is well known in the highest echelons of the medical community in Spain.

### **SYNOPSIS**

This volume is a priceless tool for those who wish to become doctors, as well as an homage to everyone serving the cause of preserving Life.

Dr. Vilardell, one of the most salient and respected figures in the Spanish medical community, reflects on the vocation of being a doctor, the training of the next generation of health workers, the best way to exercise the practice, and medical care policy.
